

# From a burning bush...

**Moses** was a good man who cared passionately about his own people who were slaves in Egypt. But long ago he had resigned himself to thinking there was nothing he could do to help ... that was until God showed him via a **burning bush** that:

- He, the great **I AM** was the sovereign Lord of all nations
- His heart was breaking for his suffering people
  - He had a plan to rescue them
- and
- Moses was a part of that plan!

First though God had to fan the weak spark of love in Moses' heart into a flame

The suffering of his people in Zimbabwe today under a cruel tyranny surely also breaks the compassionate heart of the great

## I AM

# ...to hearts aflame with love

Perhaps therefore as we come to pray we should first ask God to break our hearts for the things that break his heart, including the decades-long suffering of his beloved children in Zimbabwe.

### Specific prayer concerns

- The recent spike in Covid-19 infections in and around Bulawayo resulting in many areas going into lockdown and a 6.00 pm to 6.00 am curfew
- Healing for Pastor Albert whose health has been of great concern and who recently spent some time in hospital
- Wisdom for the ZVSF team in Bulawayo who are exploring the possibility of setting up a self-help community project to run alongside the relief feeding programme
- A radical change in governance to end the scandal of over half the population now being classed as "extremely poor" while the richest 10 per cent consume 20 times more than the poorest (1)

*"God of the poor,  
friend of the weak,  
give us compassion we pray:  
melt our cold hearts,  
let tears fall like rain;*

*come, change our love from a spark to a flame."* (2)
